A D.I WON'T POINT AT YOU...
WELL, IN AMERIGO...
WHY IS SHE POINTING LIKE THAT?
OR USE KNIFE-HANDS
THAT'S WHY THEY'LL POINT UP...
IT'S RUDE TO POINT AT PEOPLE.
OR, THEY'LL BEND THER FINGERS IN A "SPEECH STYLE."

I wonder if the knife hand is a male D.I. thing? The female D.I. I ran across either pointed up or pinched their fingers....

Also, the D.I.s used the brim of their smokey covers to peck at my BCGs and left bruises on my nose. Not a fun experience. :(
